

1BRO COMPENSATION PLAN

1BRO Compensation Plans are the best. Why? Because 1BRO Global holds the title of "The Most Generous Compensation Plan" in the market today. You can earn as much as P30,000 per day with 1BRO Compensation Plans but don't get me wrong, you may be thinking that this is a kind of a scam or some sort. All I can say is, a big NO because our company passes the 4 point test in determining if a business or earning opportunity is legit or not; First, 1BRO has Philippine Government legalities: SEC, BIR, Barangay Business permits and certifications. Second, 1BRO Global has products: e-loads and Retailerships. Third, 1BRO Global Inc. has a main office at the Ortigas Central Business District where you can direct all your concerns. And lastly, all your earnings from our company is 10% taxable. Of course, we need to remit our taxes to the Government.

Let's get down to business, there are seven (7) ways to earn in our business:

1BRO Global Compensation Plan # 1: Lifetime Discount on Prepaid Load

An average Filipino family consumes up to P1,000-5,000 worth of prepaid load every month. Imagine saving an average of 10-12% from P5,000? You can save money by using it for personal consumption and you can earn money by retailing the 400+ prepaid products inventory that 1BRO and Load Central can give you.

1BRO Global Compensation Plan # 2: UNLIMITED Retailer Activation

As we Filipinos are used to; if there is a Dealer, there must be also a Retailer. You can activate an UNLIMITED number of Retailers under your 1BRO Dealership account. Your Retailers can experience the one (1) sim, one (1) phone, load all benefit with up to 25% discount each. The Suggested Retail Price (SRP) for a 1BRO Retailer is P200. You can price it higher or lower, it all depends on you being the Dealer.

1BRO Compensation Plan # 3: 1-2% Overriding Bonus

The other factor that separated the traditional e-loading system versus our Load Central system besides the one (1) sim, one (1) phone, load all benefit is the Overriding Bonus. When you are using the traditional e-loading system, you earn when you transfer load to your Retailers but here in our 1BRO Global business, you earn when your Retailers consume their load wallet not depending where the Retailer got his/her load wallet (Either through the main 1BRO office, BDO, BPI, or Metrobank banks, or through Smart Money Transfer).

As a Dealer, you earn an up to 2% Overriding Bonus when your Retailer consumes a product in our inventory. Meaning when your Retailer consumes P25 worth of Globe AutoloadMax load, you get a 1% Overriding Bonus from the P25 pesos and vice versa

1BRO Compensation Plan # 4: Direct Referral

This is the Multi-Level Marketing (MLM) side or the endorsement side of our company. Come to think of it, why does 1BRO Global offer an endorsement or referral side? Because rather than spending millions of pesos in hiring local artists for prime time television commercials to endorse the company, 1BRO will pay it's Dealers to endorse the company. No, its not again a scam of some sort, it's a LEGAL and EFFECTIVE marketing method called word-of-mouth advertising.

Let's go back to Compensation Plan # 4: Direct Referral. You can earn P500 when you refer someone in becoming a 1BRO Dealer. You can have UNLIMITED referrals, that means UNLIMITED P500s!

1BRO Compensation Plan # 5: Indirect Referral Bonus

The fifth avenue way to earn is one of the proofs that 1BRO Global holds the title of the most generous compensation plan in the industry today and it is the one of the easiest to earn with. You can earn P25s when your Direct Referrals endorses a 1BRO Dealer up to the eight level.

"P25, eeeeeew! That's so cheap!!"

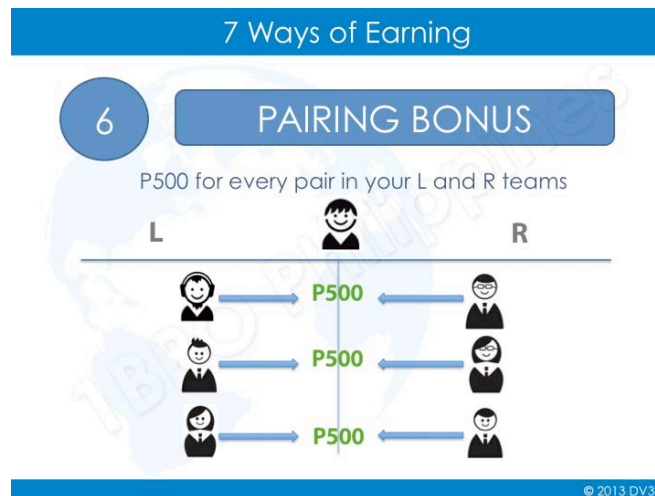

Some will say that, but as the saying goes, "don't judge a book by it's cover" because through exponential computation you can earn as much as P12,000,000+ using our fifth way to earn!

1BRO Compensation Plan # 6: Pairing Bonus

Did I say that our network structure is binary? Binary meaning that you have two (2) teams: A and B to put your referred Dealer to. And when Dealers pair in your A and B teams in a 1:1 ration, you get a Pairing Bonus worth gain, P500. This is true-blue passive income meaning you earn P500s regardless who endorsed 1BRO to the newly registered Dealer.

The maximum income that you can earn is P30,000 per day, P210,000 per week, and P900,000 per month! Imagine the possibilities of earning the average Filipino corporate president salary everyday. You can experience financial and time freedom with that super power income potential. Purchase land and build your dream house (or mansion) at Corinthian Gardens or Ayala Alabang? No problem! Travel around the world? No problem! Purchase sport and luxury cars every two (2) months? No problem! 1BRO Global can give you that. But that doesn't stop there, we have one (1) more earning avenue.

1BRO Compensation Plan # 7: Leadership Overriding Bonus

Our business gives you 10% of your Direct Referral's income in the Pairing Bonus. This is a remedy for the "strong leg" situation weakness of the Pairing Bonus where you earn when a Dealer pairs in your network structure. The 1BRO Leadership Overriding Bonus let's you earn even when you have one (1) team currently active in doing the business. Did I also say that we are the FIRST and ONLY company that offers a Leadership Overriding Bonus? Another thing that is exclusive to our company.

But there is a catch in earning 1BRO Global's Leadership Overriding Bonus, you must prove that you are really a LEADER and at least make one (1) Direct Referral per month and you are all set to earn a 1BRO Global Compensation Plan Leadership Overriding Bonus
